DEPARTMENT OF AGRICULTURE & FARMERS EMPOWERMENT

SOP for DBT in Need Based Input

There are provisions for different need based inputs for the farmers towards nutrient and pest management under various central sector and state plan schemes being operated under Department of Agriculture & FE . These need based inputs are broadly classified into two categories viz, Nutrient management/soil ameliorants and Pest Management/Plant Protection Measures.

The types of need based inputs and the provision of assistance under these two categories are given below.

- i. **Nutrient management/soil ameliorants**: A farmer will be given assistance for a maximum of 2 ha area for the target crop and following assistance or 50% of the cost whichever is less will be provided subject to schematic provision.
 - a. Micronutrient @Rs. 500/- per ha
 - b. Liming or paper mud for acidic soil @ Rs 1000 per ha
 - c. Gypsum/other sources of sulphur @Rs 750 per ha
 - d. Bio-fertilizer/Organic fertilizer @Rs 300/- per ha or 50% of the cost whichever is less.
- ii. **Pest management /Plant protection measures**: A farmer will be given assistance for a maximum of 2 ha area for the target crop and financial assistance of Rs 500/- per ha or 50% of the cost whichever is less will be provided subject to schematic provision.
 - a. Integrated Pest Management practices / PP chemicals (Insecticides , Fungicides) / Bio-pesticides /Bio-agents- @Rs. 500/- per ha
 - b. Herbicides @Rs. 500/- per ha

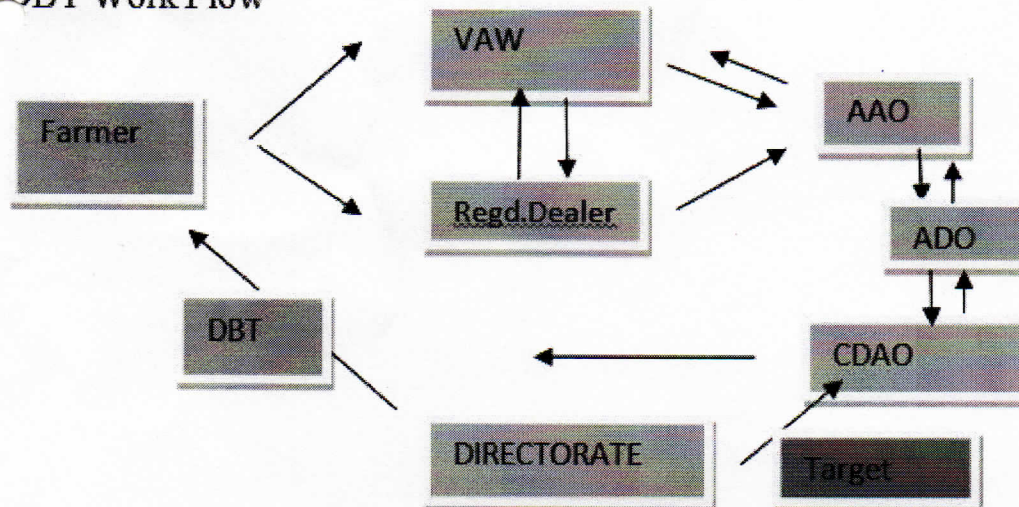

Your Signature will appear here.

Implementation period & URL : The timely serviceable Online Input Management system named as '**DBT in need based inputs**' will be made functional in the FY 2021-22 in all the districts and the URL is <http://dbtinputodisha.nic.in> .The URL is having facility for both Mobile App and web application . The portal will be monitored and managed by NIC Odisha.

Workflow: The schedule of activities of DBT in need based input and workflow are as follows.

1. A small /marginal farmer having farmer ID and mobile number is eligible for DBT in need based input. Mobile phone number is mandatory to avail subsidy so that the feedback from the beneficiary can be collected under "Mo Sarkar".
2. In case the farmer's mobile number is not mapped to the farmer ID then the permit will be generated by VAW/AO but post purchase verification will be done by BAO/AAO before forwarding to CDAO.
3. The S/M farmer need to contact either **VAW** of his locality or any **registered dealer** of his/her block for purchase of any input given above at (i) or at (ii)
4. By using the Mobile App the VAW will suggest the product (input) from the Expert Committee Recommendation, verify his cropping area and forward it to the nearby registered dealer of the block followed by an OTP number which will be delivered to the farmer & dealer through SMS to his/her registered mobile number.
5. The farmer will purchase the recommended product from that dealer using the OTP number and the dealer has to confirm the purchase.
6. After confirmation by the dealer the beneficiary & product details will be shown to AAOs dashboard and AAO of the block after verification of the subsidy amount and beneficiary details will submit the weekly list to ADOs cum Licensing Authority and ADOs will subsequently forward the list to CDAOs within 7 days for transfer of fund as per scheme guideline.
7. CDAO will release the payment to beneficiary within 3 days through PFMS.
8. **Or else**, the S/M farmer can directly go to the registered dealer for purchase of any need based input and by using the App the dealer will forward the online purchase slip to VAW through OTP number for verification of the beneficiary details and subsidy amount. After confirmation by VAW it will be shown to AAOs dashboard for verification and transmission of the beneficiary list to the CDAOs for fund transfer as stated in point no 6.

DBT Work Flow

10. Areas where there is no network VAW can issue manual permit to the farmer after due approval of BAO and the subsidy admissible will be released to the farmers account.

Three Directorates under Department of A & FE will allocate physical and financial programme of the scheme to the CDAOs/district level officer and CDAO will allocate Block wise programme. The fund transfer will be made through PFMS by CDAOs /district level officers.

Quality Control: The quality control inspectors to draw random samples from the concerned registered dealers/ PACS and action as per Act/Rule /Control order of respective inputs will be taken in case of substandard /mis-branded products.
